

Eco-Schools (ENCAMS)

THREE VALLEYS WATER

Three Valleys Water works closely with ENCAMS to encourage whole school action for the environment. The process of gaining the ENCAMS Eco-School award can be used as a learning resource using activities that link to Curriculum subjects.

The Eco-Schools programme contains activities which can help schools to:

- ◆ Improve the school environment
- ◆ Reduce litter and waste
- ◆ Reduce energy and water bills
- ◆ Devise efficient ways of travelling to and from school
- ◆ Promote healthy lifestyles
- ◆ Encourage citizenship

Interested?

For full information on the ENCAMS Eco-Schools awards, please contact: **Eco Schools, ENCAMS, Elizabeth House, The Pier, Wigan WN3 4EX. E-mail: www.eco-schools.org.uk**

To find out more about how the Environment and Education Centre can help you with Eco-Schools, please contact us at the address given at the bottom of the page. Below is a sample list of how we can help.

Activities

We can share our experience, which has gained us an Eco-Centre Green Flag, by offering the following activities. These can be carried out either at the Environment and Education Centre in Clay Lane or at your school.

- ◆ A full school water audit, including advice on water efficiency, carried out by the children with our help.
- ◆ Reduce waste, Re-use current resources and Recycle (the three "R"s)
- ◆ Advice on how to make full use of your school grounds.

Resources

- ◆ We supply all the equipment for the activities and demonstrations

Cost

At Clay Lane £3.50 per child plus cost of coach

In School £125 half day; £200 whole day

What to do

Contact the Environment and Education Centre by telephone to book your date and discuss the schedule for your day. Alternatively, contact us by fax or email and we will get back to you.
